

Spar Lancashire School Games 2022

Baton Relay 2022

What is it!

To Launch the SPAR Lancashire School Games a baton relay will commence on the 28th February and travel through every district in Lancashire, before reaching Blackpool, week commencing the 27th June. The relay will end at the SPAR Lancashire School Games on the 5th July at Stanley Park.

Each district will receive the baton for a minimum of 1 week and it will travel from School to school, allowing schools to handover the baton to other local schools.

As part of the handover we encourage schools to be active and complete the journey where possible by being active. It also a great chance for you to share 'your' school values with the schools you are handing the baton to and provide a memento, if you'd like! Although we'll leave you to decide what to do. **Be Creative!**

How to get involved?

The School Games organiser for each district will be involved in organising the route.

Contact your local School Games organiser to see if this is possible. Contact information can be found here; <https://www.lancshireschoolgames.co.uk/organisers>

Dates of where the Baton will be?

1) West Lancs 28 th Feb	2) 7th Mar - Chorley	3) 14th Mar - South Ribble	4) 21st Mar - Blackburn

Show us

If you are involved in the baton relay, we'd encourage and ask you to do the following:

Share images, videos and other content of the baton at your school by tagging in @LancSchoolGames on twitter/Facebook and use the #LancsGamesrelay22

Capture the handover moment and please use the banner provided to assist with this.

We are aiming to track the Baton via GPS and this will accessible along with more SPAR Lancashire School Game information on our website; lancshireschoolgames.co.uk
